Special Events

The Temecula Chamber of Commerce has partnered with the Friends of the Temecula Library on a very unique project to help fill the shelves of our new Temecula Public Library with books that the entire community will enjoy. The project has been named **Partners in Learning**.

Chamber members will have the opportunity to make an annual monetary donation to the Friends for the purchase of books within a general category that they would like to have added to the shelves of the new library. For their donation a book plate will be permanently affixed inside the front of the books purchased listing their name and/or business name as the donor.

Many members are selecting a category of books that will appeal to a specific audience that would like to know more about their businesses. All donations are tax deductible. For more information about Partners in Learning, please log on to the Chamber of Commerce web site at www.temecula.org/library.

On Sunday, December 17th the new Temecula Public Library held the first in a series of concerts in the Community Room.

The Winter Holiday Concert featured a performance by Temecula's award-winning **Chaparral High School String Orchestra** under the direction of Janis Fuhr. The Community Room was filled to overflowing with people who had come to celebrate the opening of the new library and to enjoy the beautiful music of the season played expertly by the Chaparral orchestra.

The Chaparral High School String Orchestra received a prestigious First Place in the Orchestra Ensemble Category at the New York National Music Heritage Festival Competition in 2006. They will be returning to defend their national title next spring where they will perform in the world famous Boston Symphony Hall.

While in Boston, in addition to competing, the students will be attending technical and musical workshops to help improve their musicianship under the guidance of some of the best string players who are members of the Boston Symphony. They will also have the opportunity to visit some of the great historical sites in Boston.

For more information on the orchestra or to make a donation toward their trip to the National Music Heritage Festival of Gold, please call orchestra liaison, Danica McCain at 951.676.7265.

BOOKSTORE REPORT

by Stan Williams, Bookstore Manager

Our second Friends Bookstore is now open at the beautiful new TEMECULA PUBLIC LIBRARY at 30600 Pauba Road.

The bookstore is easy to find - it's just to the left of the library's main entrance!

When you visit, you'll see the same great bargains are available at both bookstore locations on all types of gently used hardcover and paperback books.

If you're looking for a truly enjoyable way to spend a little free time, additional volunteers are needed to help operate the bookstores at both the Temecula County Library on County Center Drive and the new Temecula Public Library. Shifts are for 3 hours, Monday through Saturday between 10:00 am and 4 pm and training is provided. Call Gera for more information at 951.587.8589.

Also needed are your gently used books of all types and subjects, hardbacks and paperbacks, VCR tapes, DVDs and CDs. You can bring your donations to either bookstore, or for pickup of large donations, just call Stan at 951.699.1056. We are a volunteer group, and all the proceeds from the bookstores are used to benefit the libraries and their programs. Your help is greatly appreciated!

NOTE: On Thursday, January 25, 2007 at 11:00 a.m. The Temecula Chamber of Commerce will hold a ribbon-cutting ceremony to officially open the new Friends Bookstore at the new Temecula Public Library. All are welcome to attend.
